1. Presently the statutory auditor is not required to calculate the tax payable on account of CE and ST.
2. Further there is bound to be difference in supply value when compared with the Taxable value determined in accordance with the Valuation Rules (this may be on account of certain permissible deductions from the supply value or on account of certain additions which may be required to be made to arrive at the taxable value).
3. A reconciliation format (reconciling the supply value with the taxable value), therefore, is required to be prescribed. Such a format can be prepared only after the GST law particularly the valuation Rules are finalized.
